

Biography

Basic Information that must be in your Report

You are going to read one biography about a person. You can also get information from the Internet, but you must read one biography too!

1. Brief description of the person's life:
 - a. Date of birth
 - b. Where the person was born – (rich, poor, big house, small house)
 - c. Nationality and Country of birth
 - d. Area person grew up in (small town, woods, big city)
 - e. College – (what college did the person go to?)
 - f. Jobs the person had during lifetime
2. Brief description of person's family
 - a. Mom, Dad, brother, sister
 - b. Who did the person hang out with growing up?
 - c. Was the person's family poor or rich?
 - d. Did the person marry? Did the person have any children?
3. Personality
 - a. What kind of personality? (shy, mischief-maker?)
 - b. Tell one story from person's childhood that describes the personality
4. Description of this person accomplished in his/her
 - a. How long did it take until the person became successful?
 - b. Describe what the person did
 - c. Date this occurred
5. Impact on society of what this person did
 - a. Describe how the world changed because of what this person did
 - b. Imagine what the world would be like without this person doing this
6. Make sure you also have a timeline that shows the dates when your person was born, married, went to college, became successful, died, and any other important information.

You need to turn in a Table of Contents, a Title Page, and a Bibliography too.

If you want to include illustrations you made, or copies of things that are important from a book, you can do that. Be sure to list those items in your Table of Contents
