

Number: _____

Name: _____

Date: _____

Unit 1 Lesson 3

pacify watching ambition porter agitate breathed suspicion
surrender breathing watched champion canister conquest companions
borders summit barriers base

Put the above words into groups. Make sure to label what they have in common in the top box.

- 1) The climbers used open-circuit oxygen sets, not closed-circuit ones.
- 2) Gaining energy, they hoped to reach the summit of Mount Everest.
- 3) Hillary and Norgay watched their expedition companions walk down the mountain.
- 4) We used our oxygen canisters when the thermometer dropped again.

Write your own sentences using one or more words from the other side, no me, I, myself, we, our, mine, my or any first person pronouns. Can you write a story using the words?
