Ask Questions

(to the tune of Are You Sleeping?)

I ask questions,
I ask questions
As I read
As I read
Who, what, where, and when, why
I will find the answers
As I read
As I read!

Make Connections

(to the tune of "La Cucaracha")

Make connections, make connections,
To the things that you know
It's happened to you
You read it before,
You will want to read some more!

Visualize

(to the tune of Jingle Bells)

Visualize, visualize,
I can visualize!
Words make pictures in my head
Of all that I just read!
Visualize, visualize
I can visualize
People, places come alive
When I visualize!

Monitor & Clarify

(to the tune of "This Old Man")

Monitor, clarify
When you're reading you must try
To decode a word
That you haven't read before!
Look for clues
And you'll learn more!

Monitor and Adjust Reading Speed

(to the tune of “The More We Get Together”)

Monitor your speed,
Your speed, your speed
Monitor your speed
Whenever you read
Sometimes you'll go fast
And sometimes you'll go slow
Monitor your speed
Whenever you read!

Predict

(to the tune of “Row, Row, Row Your Boat”)

What will happen next?
I wonder what will be?
I think I will predict and then
I'll read and I will see
Was I right or wrong?
Now I will confirm
Predicting helps me understand
All that I have learned!
